

RAPIDCAM™ Spring Bolt Cam Adapter

RAPIDCAM315, RAPIDCAM350

PATENT PENDING

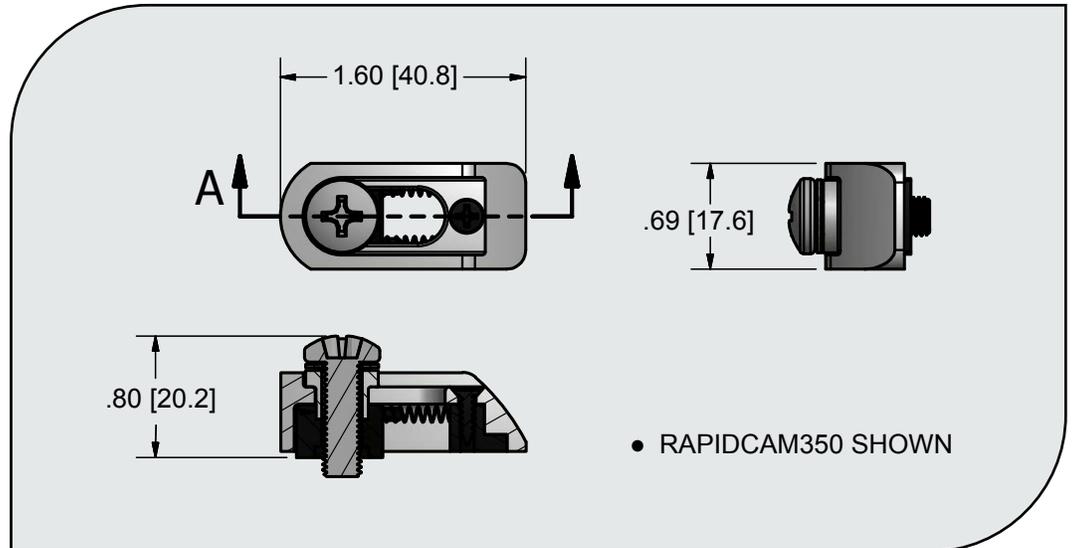

- Illinois Lock's new RapidCam™ adapter converts standard cam locks, E901 Electronic Cam Locks, Handles, and Keyless Latches into self-locking latch bolt locks.
- Innovative RapidCam™ replaces the traditional steel cam and allows for slam shut feature when locked
- Reduces the risk of cam scratching the application when door is closed and in the locked position
- Simple, push to close and lock functionality
- Eliminates metal on metal (cam to metal application)
- Ends issue of cam bending on application frame when closed in locked position
- Material and Finish

Latch: PA66 + GF15%
(Nylon 66, 15% glass filled)

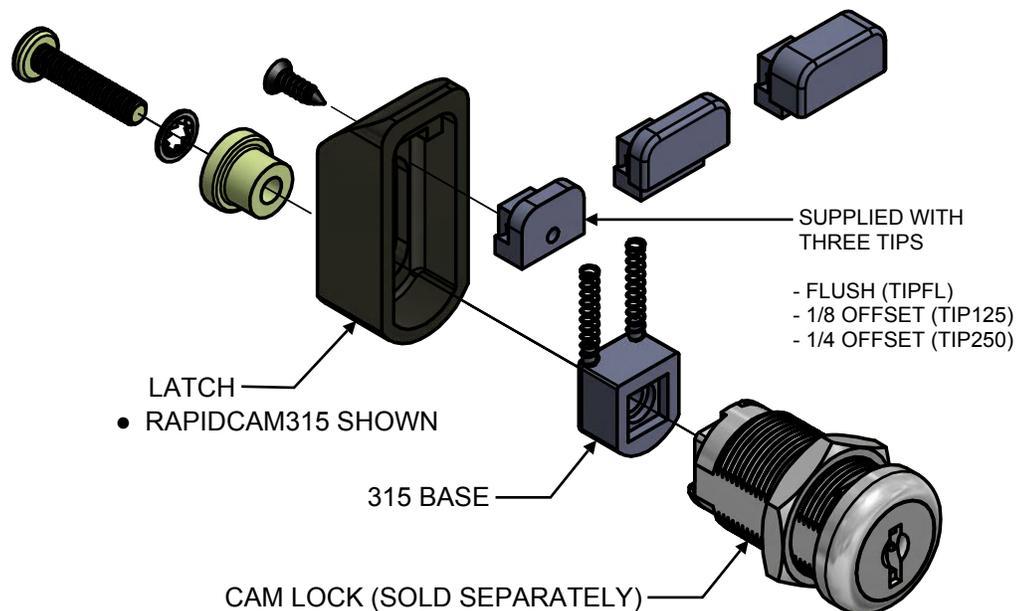

Base: White POM+PTFE
